interest on Government fours was \$402,-000. Mr. Vanderbilt is now sixty-one, but looks much older than his father at his age, perhaps because his life has been more luxurious.

round trip will cost \$114.

Mr. H. M. Doak, of the Cincinnati News, (formerly of the Nashville American,) says that the Railroad Commissioners for Tennessee are gentlemen of ought to have been selected.

Tennessee: Bounded on the north by a of life in every way, and let your regu big State debt, on the south by a demo- larity have a good tendency. cratic administration, on the west by perfect repudiation, and east by a 50-3 settlement.

The Legislature enacted a law granting a pension of \$10 per month to all blind Confederate soldiers in the State There are only four to receive the benefit of the act. One lives in Giles, one in Williamson, one in Crockett, and one in Humphreys county.

The fact is noted, in referring to the death of Postmaster-General Howe, that within the past year, or nearly so, four men have died who have held the Dennison, of Ohio; Jewell, of Connectieut, and lastly, Judge Howe.

The Legislature passed a law providing that veterans of the Mexican war, being residents of Tennessee, shall hereafter be exempt from the tax levied upon peddling in this State, and they shall be permitted to run one peddling wagon free of tax in any of the counties of this State. .

be

e i

The National Democratic Committee will meet next February for the purpose of selecting a time and place for holding a convention to nominate a candidate for President of the United States. It is thought that the convention will be the most interesting ever held. New York, Chicago and St. Louis will bid for the convention.

The dry goods merchants of New York, and the New England manufacturers of the cheaper grades of cotton held next preceeding each term of the themselves.
